

Switzer-Carty Announces New Transit Contract in Bradford

BURLINGTON, Ontario – May 16, 2014

Switzer-Carty Transportation is pleased to announce the award of the Bradford West Gwillimbury town transit contract. Switzer-Carty will manage BWG Transit for the town of Bradford providing professional drivers, maintenance and dispatch services for the community. The service commenced May 1, 2014 with two accessible transit buses servicing the town and feeding into GO Transit.

Jim Switzer, President & CEO of Switzer-Carty said “This is a great opportunity for Switzer-Carty to partner with the town of Bradford in providing community transportation that allows access to the entire community”.

Switzer added “Switzer-Carty has earned a reputation of delivering outstanding customer service and safety and we look forward to continuing this service to the residents of Bradford”
